

Captivated Hearts

Love God ♡ Love People

Do you long to know God in a more real and personal way? Would you join me in an exercise that will challenge, encourage and convict you to pray bigger and bolder, maybe even dangerous prayers? I would love to share some of my experiences as I set out on a journey to know God more deeply and fully. The following pages are a glimpse into the begging steps as well as a few questions that will cause you to consider your current prayer life and perhaps ignite a desire in your heart to explore the idea of dangerous prayers further. If you desire more Jesus, keep reading!

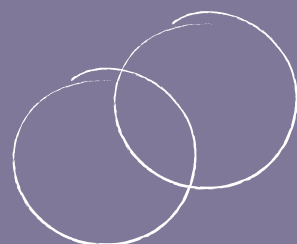

Holy moments

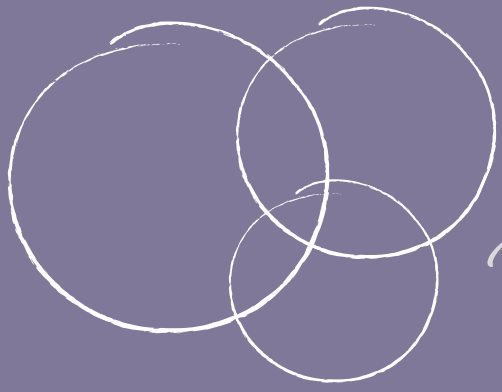

Come without warning. When we least expect it,
like a rush of wind.

Often without complete understanding. But somehow, without a
shadow of doubt - you know you just heard from God.

Crowded rooms and quiet spaces, both can lead to a holy moment.
Jesus only needs a second to rush in and fill a heart fully open and
completely surrendered to Him.

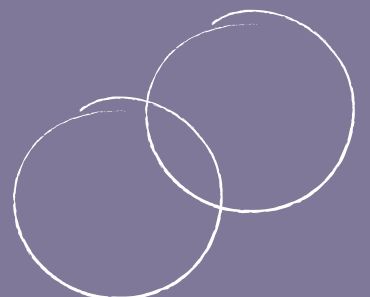

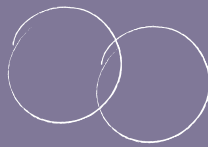

Psalm 63:1-8

God, you are my God; I eagerly seek you.
I thirst for you;
my body faints for you
in a land that is dry, desolate, and without water.
² So I gaze on you in the sanctuary
to see your strength and your glory.
³ My lips will glorify you
because your faithful love is better than life.
⁴ So I will bless you as long as I live;
at your name, I will lift up my hands.
⁵ You satisfy me as with rich food;
my mouth will praise you with joyful lips.
⁶ When I think of you as I lie on my bed,
I meditate on you during the night watches
⁷ because you are my helper;
I will rejoice in the shadow of your wings.
⁸ I follow close to you;
your right hand holds on to me. (CSB)

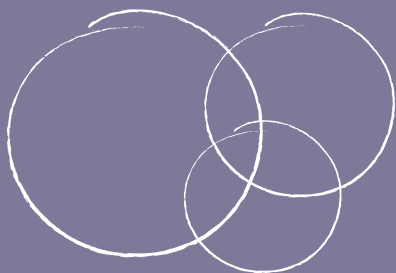

When holy moments come and God moves in your heart one thing is for sure - Your life will never be the same! You drop to your knees and utter words you never thought you'd pray.

Dangerous prayers flow easily during holy moments.

You pray things like -

- More of You Jesus and less of me.
- Break my heart for what breaks yours.
- Destroy my pride!
- Increase my wisdom.
- Not my will, but yours.
- Here I am, send me.

What dangerous prayer would you pray if you were going to take this risk?

Go with your gut, what is the first thing that came to mind? Perhaps it's one of the prayers above, perhaps it's something completely different.

Write your prayer below-

Dangerous prayers can be scary. You are giving up complete control. You are trusting God to do whatever He wants in your life. Take comfort in knowing you are not alone! God will walk with you. In fact, Isaiah 41:10 tells us: "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

When God calls, He will grow as well challenge. Teaching you the humility of dropping to your knees in submission. At the same time bringing deep conviction, forcing us to deal with our sin of pride and the blinders it creates. Showing you the importance of looking past yourself to see God for ALL He is and actively seek Him.

Let me encourage you to take a few minutes right now to pray - LORD, help me to seek you and only you. Give me ears to hear and a heart to understand where you are leading. Use the space below to write our your prayer.
